Some where there's a chance for me
I said to my friends, my family
It's a long and lonely road to southern Chelsea
And some where there's a love for me

It's a long and lonely road to southern Chelsea
Tell me there's a heaven, I know that is no dream
(Sometimes I'm high and low girl and sometimes between)
Chorus:
Tell me how you mend a broken heart
I don't wanna be a lonely liar
Tell me how I find a brand new start

I will make my dreams comes true
I will try, oh just for me and you
It's all or nothing forever girl
I said good-bye, to my old old world

And some where thousand miles away

We'll take the chance, we win again
It's our dream, and you will see, we'll go hand in hand
I know we're here but I feel, we're not alone
Millions of people are waiting, in their home
Seeing the winners and losers, they're always in our hearts
Oh everybody's waiting, waiting for the start
We'll take the chance, we'll win again
I know my dream, it will come true
We'll take the chance, don't lose the game
It's a game for me and you
We'll take the chance, we'll win again
I know we're going hand in hand
We'll take the chance, and we are friends
For a game that never ends
I know we're high and we're low, and just between
We're feeling the fire of hearts, like a dream
We're living in deep emotion, we're fighting with our hearts
Oh everybody's waiting, waiting for a start

13. Anything Is Possible.

Stay, please stay with me tonight
And all the stars up in my heaven
They're shining bright
Oh anything is possible
I know - if you stay
Oh I will catch you, if you fall, oh baby baby
I know it hurts, but it hurts me more and more
I hear your heartbeat baby, louder than before
And when I cry, I cry for you
Cause I know you are the only
And when I die, I die for you
Cause I know your heart is lonely
Oh anything is possible
I know - if you stay
Oh I will catch you if you fall, oh baby baby
Oh anything is possible
Oh I know it from my heart
I will try - oh if you call
Don't leave me girl, don't leave me here tonight
(Oh I'm so lonely)
Don't leave me girl and all the feeling's right
(Oh you're the only)
I know it hurts you, you are walking out my dreams
You set my heart on fire and now you're gone it seems
My dying heart, it cries for you

Cause I know you are my only
Don't break apart, can't let you go
Cause I know my heart's lonely
Oh anything is possible
I know - if you stay
Oh I will catch you if you fall, oh baby baby
Oh anything is possible
Oh I know it from my heart
I will try - oh if you call

1. In 100 Years.

Outside the gates of heaven
Oh, there lives a unicorn
I close my eyes to seven
Oh, this world is not my home
A broken heart in danger
And a pillow filled with tears
Oh, can you see the strangers ?
In the pain and in the fears
Can you feel my heart ?
Baby don't give up
Can you feel my love tonight ?

In 100 years
Love is illegal
In 100 years from now
In 100 years
Love is illegal in this lonely, heartbreak town
In 100 years
Love is illegal
All your dreams will die
In 100 years
Love is illegal
And your hope will not survive

L.O.V.E.
Love is illegal in my heart
Hear my heart is beating
L.O.V.E.
Love is illegal in my heart
Hear my heart is beating

You're looking through a fire
Computers everywhere
Oh, you're a shotgun rider
Controllers here and there
And you read old love letters
Drowning in the sea
Oh baby it doesn't matter
Oh you've lost all what you feel Can you feel my heart ?
Baby don't give up

Can you feel my love tonight

2. Don't Let It Get You Down.

I'm crying through the night
A cry of loneliness
Strangers side by side looking for a kiss
You feel your heart is dead
Oh like a broken toy
Oh blue eyes, don't cry
Your heart is out of tune
These tears can never dry
I'll save your heart, babe, soon
Oh baby give a try
A sound of breakin' hearts
I hear again and again
Oh, I'll be there
Take my helping hand

Don't let it get you down
It's never too late
Don't leave this heartbreak town
Feel the love we'll make
Harder you'll try the more you get
Oh your heartbeat is too sad
Come keep your heart just burning in the night
For you and me

You're tired of been alone
But time is on your side
You'll make it on your own
Baby, if you'll try
Holding back the tears and mend a broken heart
Oh blue eyes, don't cry
Never give you up
Somewhere there's a friend
When rain is in your heart
Babe, don't let it end
Oh light the flame of love
Oh, call me just again

Oh, I'll be there
Where the rainbow end

3. Who Will Save The World?

Father they've written
Of the point of no return
Soldiers they will come
Oh they're coming to burn
(I said) Oh boy, we need your hope to live
Oh boy, you have so much to give
Oh boy, don't let it get you down

Who, baby, who will save the world ? (it's not too late)
Who, baby, who will save the world ? (when heroes hesitate)
I'm too young to die
I'm too young to die

Father, I've been looking
Through a rainbow of tears
Found yourself so lonely
Oh they're drowning in my fear
(I said) Oh boy, I'm old enough to know
Oh boy, that it hurts to grow
Oh boy, don't let it get you down

4. A Telegram To Your Heart.

Oh reach out to my dream
All the masquerade of loneliness
You're a fool, baby
It seems words can not express
Oh, only your lonely heart can show
You're made for me I know
It's the time for our love

A telegram to your heart
A telegram to your love
Need your kisses
Baby, baby need that stuff
A telegram to your heart

A telegram to your mind
Need your kisses
Always like the first time

A telegram to your heart
A telegram to your soul
A telegram to your heart
A telegram to your soul

It started in heaven
I was lost in your lonely world
I'll be there forever
Oh you're gonna be my girl
There must be more to live, take care
Our love survive for share
Your love with me tonight

5. It's Christmas.

What do the lonely do on Christmas ?
Woman is a man's best friend
There are people in loneliness, girl
Waiting for a helping hand
There's no mountain that's high enough
Heaven will send me
You're drowning in a sea of love, girl
Never set you free
I have a heart of sun
And you will never be alone
We'll have some days of fun
My love

Oh babe, it's Christmas
And I give you my heart
Oh it's Christmas
From the very first start
Oh babe, it's Christmas
Wish you a happy New Year
Oh, it's Christmas
Pray for me to be here

What do the lonely do on New Year ?
What do the lonely do ?
I've been looking through your tears, babe
Feel memories with you

Dreams are nothing more than emotions
But they'll come true
Give me all your sweet devotions
Babe, I'm missing you
I have a heart of sun
And you will never be alone
We'll have some days of fun
My love

6. Don't Lose My Number.

Woman is a man's best friend
And I was crying in the night for love
Baby, to the rainbows end
I'll run for that sweet sweet stuff
Oh, side by side
I'll give all my love and emotions

Don't lose my number, girl
I'm qualified for
Don't lose my number, girl
I'm qualified for
Don't don't lose my number
I'm waiting for you
Don't don't lose my number
I'm qualified for love

Diamonds are forever girl
Save them for a rainy day
I just wanna be your world
There's nothing left for me to say
Oh, eye to eye
I'll give all my love and devotion

7. Slow Motion.

My tears will never dry

Behind my painted smile
You are the nearest thing to heaven, girl
This world is not my home
Love in a danger zone
Some hearts are better left unbroken, girl

Slow-motion, baby
Hold on tight
Slow, slow-motion, baby
Deep inside
Slow, slow-motion, baby
I got hooked on you
I know it isn't true
Slow-motion, baby
Full of pride
Slow, slow-motion, baby
I have cried
Slow, slow-motion, baby
'Cause only love knows why
I know I wanna die

Good love can never die
Inside my love's alive
Take it of him, my babe
They just don't need
Just when I needed you most
Oh babe, God only knows
I'm lost without your love in me, baby

8. Locomotion Tango.

Love is a lie
Love is a mess
Telling the secrets of loneliness
Our love survive
Our love survive
Letters are written
Words are spoken
Some hearts are better left unbroken
How will love survive

How will love survive
Little by little, step by step
We will kill the dirty heads
Heart to heart and side by side
Love will never hide

Locomotion tango on a lonely rainbow
We will dancin' baby
Don't wait for heroes
Locomotion tango on a lonely rainbow
We will dancin' baby
Romancin' lady

Locomotion in my heart
See you dancin' in the darkness
Locomotion let us start
Let us dancin' in the moonlight

Baby, you're waiting
Baby, you cry
See all the fools babe with their lies
Our love survive
Our love survive
What does it take to kill your live?
What does it take to get that stuff?
Our love survive
Our love survive
Little by little, step by step
We will kill the dirty heads
Heart to heart, side by side
Love will never hide

9. Good Girls Go To Heaven.

Good girls go to heaven
Good girls go to heaven
Maybe when the night will fall
Baby, loneliness will call
Oh, call me, please call me
Oh your dreams will never lie

Just behind a painted smile
Just call me, please call me
I try
With you will the rainbow dry
My heart is still alive
I have a rainbow in my eyes

Good girls go to heaven
Bad girls go everywhere
Good girls go to heaven
Bad girls are here and there
Just come feel my love inside
Call me when you're sad
There's no love to hide
What you see is what you get
Tonight

Oh I make your dreams come true
For a tango it takes two
Oh call me, please call me
I'm a prisoner of your heart
007 in the dark
Just call me, please call me
A man, a child, oh in my eyes
I'm hating all these lies
A rainbow is still alive

10. In 100 Years (Reprise).

In 100 years
Love is illegal
In 100 years from now
In 100 years
Love is illegal in this lonely, heartbreak town
In 100 years
Love is illegal
All your dreams will die
In 100 years
Love is illegal
And your hope will not survive

You're the queen of broken hearts
Oh we are daytime friends -
And nighttime fools

Wanna play this game -
You break the rules
Tears of love are frozen tears

Geronimo's Cadillac -
Is making all girls turn mad
Geronimo has a heart - oh it's a drag
Geronimo's Cadillac -
Oh making all girls turn sad
Geronimo has a heart - oh it's a drag

Geronimo's Cadillac
It's tossing Oh in your head
It's tossing and turning
It's burning it makes you mad
Geronimo's Cadillac - Oh baby
I'll hold you back
You're tossing and turning,
It's burning, it's makes you sad

I'm looking through the eyes of love
Made a fool of me - can't get enough
Touch my heart - Boulevard of broken dreams
Another time for love - other place to be
Don't let him take your love
Your love from me
Tears of love are frozen tears

2. Riding On The White Swan.

Secret message - for a rendezvous
Distant fire - It's hurting you
It's so sad
Your good love go back
Tears of love will make me sad
Frozen teardrops
Running with the night
Sorry doesn't always make it right
Tears of love, tears in my heart
Why did love just break apart, break apart ?

I'm riding on a white swan
I need your heart tonight

I'm riding through a hard storm
Don't treat me like a child

I'm riding on the white swan
I've got that what you need
I'm riding on the white swan
You've got the best of me

On the wings of a nightingale
Playing games
Your love for sale
Then my girl belongs to yesterday
No return
Don't lose your way
It's more than just
The two of us
Heart is open
Come on, trust
Love I gave for your mystic smile
Should I go ?
Or stay a while, stay a while

Hate is wrong
Find the way, babe
Way back home

Better late than never done
For the children
We need a home

Give me peace on earth
Give me all your love
Say, that we won't fighting
For the peace of all

Give me peace on earth
Let the children sing
Give me all your love
For the little children
For the peace of all

Come together - turn a dream
For the children, love is all we need
All the wrongs don't make it right
For the children we will fight

4. Sweet Little Sheila.

Smoke from a distance
Fire burnin' me

Sweet little Sheila
Do you ? Do you really want me ?
Sophisticated lady want me
Sweet little Sheila
Do you ? Do you really love me ?
She's a different baby to me

I only want Sheila
Oh my Sheila
Oh, she's specious
Like the sun
I only want Sheila
Oh, my Sheila
She's drunk, she's foolish
And most fun

Oh, babe
The promise you made
Be careful they've got stones that you're afraid
Oh, babe

Don't say it's too late
Words can't express my feelings being
Believing

5. Ten Thousand Lonely Drums.

You're breaking my paradise
Hearing an echo cry
Don't be fool for stealing hearts
Dreamland at your fate
You never find your way
Don't be fool for tears of love
All precious memories, you had through the years
All they are passing one by one
You kill the memories
Wave off the pain and tears
Baby, together we are strong

10000 lonely drums
Are playing in my heart
10000 drums of dreaming fell apart
10000 drums are playing just for you
10000 drums are saying I'm missing you

Oh, my drums
They're playing in your mind
Thinking of endless lovers
Some too hard
Oh my drums
I never let you go
They give the mimic of a lonely drum

Like a hero will smile again
If you will play this game
Don't be a thief for stealin' hearts
Like all the thousand smiles
It takes a little while
Don't be fool for tears I love
Welcome to paradise
If you will realize

Then passing one by one
You kill the memories
Wave off the pain and fears
Baby, together we are strong

6. Lonely Tears In Chinatown

A broken heart - a pillow filled with tears
It was hot, babe, hot through all the years
Everybody needs someone to hold
Never thought that heaven can be cold
When you call me baby
I'll be there
A penny for your thoughts - oh to care

Lonely tears in Chinatown
Are too danger-, dangerous
You can have this love for free
Lonely tears in Chinatown
Are too danger-, dangerous
If you're ready, go with me
His love is ...
D-d-d-danger
D-d-d-danger
You can have the best for free
His love is ...
D-d-d-danger
D-d-d-danger
Come on, take the rest of me

Tonight did what
It means to be so young
When two hearts are beating
Just as one
Our love can go a long, long way
There's nothing left for me to say
Nobody makes me crazy, like you do
Take the stars out of the sky for you

7. In Shaire.

You're hunting me
In the night in your fantasy
It's the sign of the gypsy queen
Endless dream
You're hunting me
I feel the need
I never felt love so deep
Love is so dangerous, mysterious
I try to win, baby

Oh, in Shaire
You won't have my love for free
You are selling frozen tears
A journey to my heart and fears in Shaire
In Shaire you will play a game with me
You are stealing memories
My heartbeat is a loving beat in Shaire

In Shaire you try
Breaking the rules make white doves cry
In Shaire I know
All your love will come and go
When I say you will take all my feelings away
In Shaire

You're hunting me
Winning games of the night I see
Loving you such is such a thrill
You make me feel
You're hunting me
You're holding me
I'm lost in a lonely sea
And behind your painted smile
You're a child
Try to win, baby

8. Stranded In The Middle Of Nowhere.

Albatross
Show me a dream of love
Albatross
Without her love I'm lost
Good love never dies
Angels never fly so high
I'm dreaming, dreaming
Coming back to me

I'm stranded in the middle of nowhere, take care
I'm stranded in a struggle of my dreams, it seems
Baby, oh I need you more
Like roses need the rain
Baby, oh I need you more
Come and take my hand

Albatross
Harder I try, bluer I get
Albatross
Don't leave me alone - I'm sad
Oh, I find my home
Right back where I started from
I'm dreaming, dreaming
Coming back to me

I'm stranded
Nobody cries, time's on my side
I'm stranded
I don't know where but you're not there
I'm stranded
Playing the fool, breaking the rules
I'm stranded
Take up your hand, make me a friend

You're restless and you're young

And your time will come, your time will come
They said : you came from the wrong side
He's a page from the end of the book

City lights spinning in my head
Here comes the night and go to bed
I'm sitting here in that night café
My love won't go away
Never-ending dreams of you
Lonely hours passing through
Still missing you
Where will you go, tonight ?

Just like an angel, you are
Home at your heaven, you're my star
Just like an angel in the night
Ice in the fire melt in the light

Just like an angel
Waiting for you
Let me down easy
Like angels do
You're my angel
Oh call me
Give me high, high energy

I cross the streets for a telephone
Shadows dancing, still on my own
I'm sitting here in that night café
My love won't go away
Café is empty, the night goes by
A million stars shine in the sky
Still missing you, where will you go tonight ?

6. Heaven Will Know

When I'm down, feeling blue
I close my eyes, oh just to be with you

Oh let me, oh let me explain

Love don't live here anymore

Oh let me, oh let me explain

Love don't live here anymore

Troubles stole my paradise

Was our love just blind ?

Love can find a way

Got my love lying in your hands

Oh, still I can't explain

Why you went away

So, I ask again have you gonna stay
I feel just the same
Love might come again
Emotion, emotion

Have you gonna stay
I feel just the same
Love might come again
Emotion, emotion

Why did you do it just tonight ?
You're leaving me without good-bye
Why can't you give me one more try ?
Before you went and said good-bye
Why did you do it just tonight ?

Sometimes I feel that life's a show
But I don't wait - don't let you go
Cause darling, heaven can be cold
With no angel life been told

Your memories come and memories go
But my love will always grow
Why do you flow away my heart ?
Why did you break apart ?

Why did you do it just tonight ?
We had two tickets to paradise
Nobody ever loved you more
As I always did before
Why did you do it just tonight ?

The way you talk, the way you smile
All things you do make life worth while
It's not a game you play with me
You give this world some sanity
Your memories come and memories go
But my love will always grow
Look at the stars, they're out tonight
Be forever by my side

It's breaking just apart

Keep love alive
Too hard to hold it
Keep love alive
Too hard to stop it

Keep the fire burning in your heart
Forever and ever
Keep the fire burning from the start
Ever together

Bitter sweet so high so low
Lonely dreamer
Life is a show
Oh, touch an hand
Make a friend, tonight
Bitter sweet more than words can say
Evil women want to play
Oh, strange are the ways of love
Come on and take my heart
It's breaking just apart

8. Hey You.

He has a heart of gold
The way to paradise is cold
I know, I know
That this world is a show
Love you more than words can say
There's a will, there's a way
I know, I know
That this world is a show

I want you, hey you
Feel brand new
Oh, I break the golden rules
Time is on my side
I want you, hey you
Take a chance on me
Baby, put your love on me

I want you tonight

I want you, hey you

Little boogaloo

Shot a hole right in my soul

Hey girl, hey girl, take this chance for love

I want you, hey you

Little boogaloo

You want me and I want you

Hey girl, hey girl

You are the one that I'm dreaming off

I'm tired of be alone

Oh girl, it's easier said than done

I know, I know

That this world is a show

Oh, you wasted days and nights

Give me the chance for paradise

I know, I know

That this world is a show

9. Angie's Heart

Every little moment

Oh, she dreams of you

Half a million miles of love come true

How can you mend all the heartaches you've made ?

What is easy for two, is so hard for one

What is gonna happen when the summer is gone

How can you mend all the heartaches that you've made ?

Baby, how can you mend all the heartaches that you've made ?

Someone is breaking Angie's heart

What about the thing called loved ?

He's breaking Angie's heart

Her heart, her heart

Someone is breaking Angie's heart

One night is not enough

Everybody got to believe in someone

Ooh Angie

Angie, there will never be another you
If it doesn't fit that your dreams come true
How can he mend all the heartaches he has made ?
Tears of love, you wasted for this love affair
And his love will really hurt you, oh to care
How can he mend all the heartaches he has made ?
Baby, how can he mend all the heartaches he has made ?

10. Only Love Can Break My Heart

You're walking like an angel in heaven
In the night I see an angel in you
In my lonely dreams I count to seven
And I call you baby
Know that it is true
When you're young and in love
It's too hot to stop
Young and in love
You never give up

Only love can break my heart
It's tearing me apart
Now I never feel brand new
Only love can break my heart
Playing it's so hard
Nobody love's me like you do

Only love can break my heart
It's time to make a start
Babe, I love you without end
Only love can break my heart
You'll make it if you start
Babe, take me as your friend

Your feelings are tossing and turning
You have to love to pay the right price
Your lonely heart keeps on burning
But an angel will hear many lies
When you're young and in love
It's too hot to stop

Young and in love
You can never give up

1. Jet Airliner.

The times were hard and I was running
I could feel my chance was coming
Another time, another place
A pillow filled with frozen tears
See the gates, a distant fire
Shows the way, to my desire
Laying down my heart for you

'Cause I'm lonely, feelin' blue
I know that I'll never die on love
But I'll never get enough
Oh, I got no time to lose

On my avenue to a jet airliner
Avenue to my broken dreams
My avenue to a jet airliner
Like an old old movie-scene

My avenue to a jet airliner
Brings me back to the dreams I loved
Good guys only win in movies
But this time babe I'll get enough

(The avenue is closed, is closed forever)

Love can breed misunderstanding
But my heart will soon be landing
Another love on golden wings
Oh, I'll buy you diamond rings
Waitin' for a lonely rainbow
Magic wave where will I go
Breaking down my heart to you
'Cause I'm lonely, feelin' blue
I know that I'll never die on love
But I'll never get enough
Oh, I got no time to lose

(But you know, yes you know you can change it)

2. Like A Hero.

Baby, come save me
From pain and from fear
Maybe I'm crazy
Still dreaming you are here
No more tears my baby
I cry for you
No more fears, oh maybe

I'm missing you

Like a hero I will smile again
Like a hero in the midnight rain
Like a hero I will go
Miss you more than you will know
When you break my heart
Like a hero I will smile again
We're a woman, baby and a man
And I'm needing your sweet love
Give me more that sweet stuff
Give me what you've got

Baby, be with me
It's cold and lonely
Oceans of sorrows
A man with no tomorrow
No more tears, my baby
I cry for you
No more fears, oh maybe
I'm missing you

3. Don't Worry.

Oh, life is so hard
And you have to choose
The call of the wind
On the highway of fools
Why does a man never cry when he's feeling
You murder all his feelings
Will you still be there
Only love knows why
Between the fire
When white doves cry ?
Why does a man never show what he's meaning
You murder all his feelings
And you cry in the night
When there's no one besides
Your tears

Don't worry baby
I'll be by your side
Don't let it ever get you down with you tonight
Don't worry baby
Where he has gone
My heart is out of my control
I'm falling strong

Don't worry pretty baby
Come and get you down tonight
Come and get
Come and get
Come and get you down
You're all of pride
Don't worry pretty baby
Come and get you down tonight
Come and get
Come and get
Come and get you down
You're all of pride
Heart and pride

I live for love
And you've got to try
Oh, don't let this chance, baby pass you by
Why does a girl never cry when her feelings
Are murdered by bad dealings
It started in heaven
There's a place for you
Give me the chance for a rendezvous
Why does a girl never shows what she's meaning
You murder all her feelings
And you cry in the night
When there's no one beside
Your tears

4. Blinded By Your Love.

I was blinded by your love
I was blinded by your love

I couldn't talk to you last night
Friends and strangers side by side
I was blinded by your love

Oh God knows
We're walking through a fire
Sound of breaking hearts around
Oh you know, we're burning in desire
City of the lost and found
In a world of broken dreams
We will build a better life
You're my Venus in blue jeans
Only the strong survive
So come on baby, come on baby

Dreams are made
Made of deep emotion
Love will feed a brand new world
Baby, you need the shadows and devotion
Living in a better world
There's a heavy weather girl
The clouds disappear
The masquerade of loneliness
Is drowning too much tears
Come on baby, come on baby

5. Romantic Warriors.

In the nights of lost and found
Many strangers are around
You're nobody until someone will love you
You can't make it on your own
When you standing there alone
Many heartaches keep the world on turning
'Cause you are fooled by your feeling
You can pay the price of love
Give me your hand , my love
Give me your heart

Oh oh oh

Let me be your lover
You're undercover, yeah tonight
Oh oh oh
Let me be your lover
Romantic warrior, yeah tonight

Oh oh oh
We are all romantic warriors
Fighting for your love
Oh oh oh
We are all romantic warriors
Fighting for your heart
We're fighting for your love

Legends have a broken heart
There's someone who tore apart
Oh, there must be more to life than this, babe
Idol love can't last through years
How can love, babe, last through years ?
You're surrounded, baby, oh by strangers
Come let me be your hero
And I'm fighting for your love
Give me your hand, my love
Give me your heart

6. Arabian Gold.

What a kind of fool I am
There's no smoke without a fire
You don't want me in your game
There's a shadow of desire
Come on in my arms again
I don't need no heart that's broken
Come and try me as friend, my love

Arabian gold
For your gangster love
Arabian gold
The last albatross
Arabian gold

For your heart and pride
Arabian gold
For you, midnight child

Arabian gold
For your precious love
Arabian gold
I can turn it off
Arabian gold
Frozen in my tears
Oh, I'm crying
Take away, away my fears

Take the ship that never sailed
Silent lover and devotion
Seven lonely nights - too late
Oh, you're breaking my emotions
Like a loser I will smile
Hearts are better left unbroken
Come and try me for a while, my love

7. We Still Have Dreams.

We still have dreams
And tears of love
We make it babe
We're strong enough
We still have dreams
You've got a friend
Young hearts are free
Until the end

Baby, I've been lonely for so long
Lady, I'm tired of being alone
Save me, 'cause everybody needs some love
Got a date with an angel, baby
Be my for ever, lady

Baby, no one can ever love you more
Lady, I'm the man you're looking for

Save me, my heartbeat is a loving beat
Got a date with an angel, baby
Be my for ever, lady

8. Operator Gimme 609.

Angel eyes
I saw you in the classroom
Oh times go by
This world was not my home
Tears can dry
Our love is forever
But angel eyes, angel eyes
Come home, come home

Operator gimme 609
Love is really hard to find
Let's go for it
Operator gimme 609
Waiting for my baby's line
Let's go for it

Oh my operator
Why can't you tell me if she's coming later
Gimme, gimme the line
Hold it to eternity
Oh my operator
Why can't you me tell if she's coming later
Gimme, gimme the line
Hold it to eternity

Angel eys
Oh some hearts break easy
Oh angel eyes, I never cried before
Oh come back
If you ever want me
Oh angel eyes, oh angel eyes
Come home, come home

9. You And Me.

Love delight - deep inside
I'm sharing all my love with you
Oh, I know I can't live without you girl
I can't live without you
Take me away
Make my day
Every time I see your face
Oh, I know I can't live without your love
That I can't live without you
There's one life to live
And one heart to give
Tell me that you need
Body heat
Just turn out the lights

You and me
Dreams are free
Just a woman and a man, babe
You and me
Can't you see
That I'm doing what I can, babe
Babe, you and me
Ecstasy
And I never want to lose you
To the end of the world
Oh, I'll stay by your side
You and me
Oh, I feel
Like the moon was made for lonely
You and me
Oh it's real
You are the one and you're the only
You and me
Memories
All the love that's never ending
To the end of the world
Oh, I'll stay by your side

It's getting late
And I can't wait
The ocean beating in my heart
Oh, I know I can't live without you girl

I can't live without you
I call your name
Again and again
I lose my soul, my self-control
Oh, I know that I can't live without your love
That I can't live without you
There's one life to live
And one heart to give
Tell me that you need, body heat
Just turn out the lights

10. Charlene.

You were mend for me
I'll give you love and ecstasy
Strangers on the shore
I wanna play this game no more
But if you run with me
Babe, to eternity
Baby, I'm born again
Broken hearts can mend, tonight

My Charlene, Charlene, Charlene
I'm lonely, you're the only
Queen of hearts
My Charlene, Charlene, Charlene
I'm falling
Oh, I'm calling
For your love, for your love

My Charlene
You are like the flame of love
Sole survivor of my lost emotion
My Charlene, I never get enough
How my love is deeper than an ocean
Daytime friends and nighttime love

If my heart could speak
You hear I'm lonely and I'm weak
There must be a way

I love you more than words can say
And if you run with me
You can have my love for free
Come on the wings of love
Up in the sky above, tonight

1. You're My Heart, You're My Soul.

Deep in my heart, there's a fire that's a burning heart
Deep in my heart, there's desire for a start
I'm dying in emotion
It's my world in fantasy
I'm living in my, living in my dreams

You're my heart, you're my soul
I keep it shining everywhere I go
You're my heart, you're my soul
I'll be holding you forever, stay with you together

You're my heart, you're my soul
Yeah, a feeling that our love will grow
You're my heart, you're my soul
That's the only thing I really know

Let's close the door and believe my burning heart
Feeling all right, come on, open up your heart
I'll keep the candles burning
Let your body melt in mine
I'm living in my, living in my dreams

2. You Can Win If You Want.

You packed your things in a carpetbag
Left and never looking back
Rings on your fingers, paint on your toes
Music wherever you go
You don't fit in a small-town world
But I feel you're the girl for me
Rings on your fingers, paint on your toes
You're leaving town where nobody knows

You can win if you want
If you want it, you will win
On your way you will see that life is more than fantasy
Take my hand, follow me
Oh, you've got a brand new friend for your life

You can win if you want
If you want it you will win
Oh, come on, take a chance for a brand new wild romance
Take my hand for the night
And your feelings will be right, hold me tight

Oh, darkness finds you on your own

Endless highways keep on rolling on
You're miles and miles from your home
But you never want to phone your home
A steady job and a nice young man
Your parents had your future planned
Rings on your finger, paint on your toes
That's the way your story goes

3. There's Too Much Blue In Missing You.

Like the leaves fall of a tree
I feel your love is dying for me
You tell me it's not the end
Where is the love you forsake
You forsake, you forsake

There's too much blue in missing you
I believe I was a fool
Before you say good-bye
Oh, give us one more try
Yet I can't forget all the love we had
There's too much blue in missing you
Oh believe my heart is true
Your love slipping away, a little bit every day
Throw it away, it's such an easy way

Look at me I'm the lucky one
Without feelings you can't be strong
Though I call you in the night
To hear your voice, Feel you deep inside

4. Diamonds Never Made a Lady.

Oh my heart is crying in the night for you
Oh, my God, oh don't you feel like a fool
You're fooling yourself with a millionaire

You think it's love but he don't care
And one of these days
You're gonna be surprised

Diamonds never made a lady, lover or a friend
I know it
Diamonds never made a lady, all your dreams will end
I know it

Your Californian nights
Warm body held you tight
Was just a dream
But all the diamond lights Can't give you peaceful lives or sweet dreams

Oh my God, you really think you have it made
Your heart is won, with first class expenses paid
You drink champaign, eat caviar
A colour TV in the back of your car
But one of these days
You're gonna be surprised

5. The Night Is Yours, The Night Is Mine.

The night is yours, the night is mine
I beg you baby, take your time
It's like paradise
See your magic eyes
Feel the need in me
The night is yours, the night is mine
I beg your baby, take your time
Heaven in your eyes
Takes me to the sky
I'm in love with you

Love takes time, it's hard to find
That's true
Not a game you play - a night or two
Take my heart
Let's make it real tonight
We'll be dancin' to the pale moonlight
Your dreams are real today
And now you gonna stay

I will try to make your dreams come true
Trust me baby, nothing else will do
There's no need for you to be so cool
Love takes time just like the golden rule
Your dreams are real today
And now there gonna stay

Girl, when I see you smile
Imaginations running wild
Love makes me feel allright
Help me through the night
Sometimes you're weak
Sometimes you're wild
You're a woman
You're a child
Love makes me feel allright, tonight

6. Do You Wanna

I hear your heartbeat, heartbeat, heartbeat
Playing with my mind
Oh, I need you wrapped around me
Just like I be on a veil
But now I'm only lonely, lonely
Holding on to you
Oh, I need you back here with me yeah
I think you want it too
Now I feed you with a new emotion
Heal you when you cry
I'll be your loving doctor of the night
Do you wanna take me tonight
Do you wanna make me at night
Do you wanna, if you wanna, take what you need

Do you wanna make it allright
Do you wanna heaven is tonight
Oh baby, do you wanna, if you wanna, take what you need

I hear your heartbeat, heartbeat, heartbeat
Begging for more
Oh, I need to hear that question

Like a dancer needs the floor
And now you're only, only, only
Holding on to me
Oh, now tell me that you're coming back
One word is all I need
Now I feed you with a new emotion
Heal you when you cry
I'll be your loving doctor of the night

7. Lucky Guy.

I feel your heart-tune
I feel the sound move
I hear the last tune
Over and over again
Without end
I feel the flowers
I feel the showers
I hear the last words
Over and over again
Without end

I'll be your lucky guy
I'll be your lucky guy
Tomorrow when all things are shaping
Tomorrow then I'll be with you
Tomorrow when you're heart is aching
I keep on loving you

I feel the magic
There's no tragic
I hear your laughing
Over and over again
Without end
I see you walking
I hear you talking
I feel the loving
Over and over again
Without end

8. One In a Million.

You are one in a million
You are one in a million
You are oh love my love
You are everything for me
You are one in a million
You are one in a million
You caught me with your charms
When you held me in your arms

Oh lonely life, I hear your heartbeat
Deep in the night
I need you so
Know that I can't let you go
Dim all the lights and let me hold you so tight
The night is yours and mine
You're looking fine
Just tonight

Just like a child
You're sometimes weak, sometimes you're wild
You understand, sometimes I feel like a man
Stay here tonight
And let me hold you so tight
You are the one for me
You are my dreams, my reality

9. Bells of Paris.

Oh, I gave you my heart
Every little bit
You're holding me till the night is gone
Oh, my little heart really blue apart
When you touched me
You hold so strong
Now, you're looking in my eyes

And I feel the need
I will try to make your dreams come true
Nothing else I do
Only loving you
And I never will tell you lies
Bells of Paris
You steal my heart away
Bells of Paris
Remembering that day
Bells of Paris
When I met you on the Champs-Elysées in that old café
Bells of Paris
Coming up to me
Bells of Paris
Like a fantasy
Bells of Paris
I met you in the Paris' lights
And I fell all right

Oh, you stood in the light of an old café
You're flaming nice breaking up my heart
And you danced in the night in the magic light
And you gave my live a brand new start
Oh, you fed my love to your hungry soul
And I see an angel in your eyes
Want you take my hand to a wonderland
I will take you to paradise
